ESPALIER FRUIT TREES .....	16
DWARF FRUIT TREES .....	16
BERRIES AND GRAPES .....	16 to 17
FRUIT AND NUT TREES .....	18 to 19
FRUIT TREE SEEDLINGS .....	20

## CONDITIONS OF SALE

PRICES given in this list are intended for wholesale trade only, and cancel all previous quotations. They are based on current conditions and are therefore subject to change without notice.

### TERMS:

1. Cash with order.
2. Half of amount remitted with order, balance C.O.D.
3. Charge Accounts. To firms whose credit has been established with us, 2% discount may be taken if paid within 10 days of receipt of shipment. Otherwise, terms are strictly net 30 days from date of invoice.

PACKING at cost will be charged above prices quoted. Paper pots, when used, will be charged extra. When remitting with order, include 5% of order to apply on packing cost.

SHIPPING instructions are requested. Whenever possible we will pool smaller orders in carloads to near vicinity, thus saving on freight and boxing costs. Early placement of orders is essential in insuring accommodation in our pool cars.

CLAIMS or COMPLAINTS must be made within 10 days of receipt of shipment, and in the case of spoilage or breakage, must be accompanied by a copy of the Report of Damage furnished by an inspector for the carrier at time of delivery of shipment.

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the problem and the objectives of the research.

2. The second part of the report is a detailed description of the methods used in the study. It includes a discussion of the experimental design, the data collection procedures, and the statistical analysis techniques.

3. The third part of the report is a presentation of the results of the study. It includes a discussion of the findings and their implications for the field of research.

4. The fourth part of the report is a conclusion and a discussion of the limitations of the study. It also includes a list of references and an appendix.

5. The fifth part of the report is a list of references. It includes a list of books, articles, and other sources used in the study.

6. The sixth part of the report is an appendix. It includes a list of tables, figures, and other supplementary material.

7. The seventh part of the report is a list of tables. It includes a list of tables and figures used in the study.

8. The eighth part of the report is a list of figures. It includes a list of figures and tables used in the study.

9. The ninth part of the report is a list of tables. It includes a list of tables and figures used in the study.
